

**Known Descendants of
John William Alford and Lennae W. Roden**

*An earlier version of this genealogy was published in AAFA ACTION #75 Vol XIX, No. 3, Winter 2007, page 55 ff. That version included five generations and photographs. This is a work in progress and like most genealogies is not complete. It is also thought to contain some error. **This more public version contains only three generations in a effort to protect the privacy of the living.** There has been some update since the published version.*

1. **John William Alford** #169 b. about 1801, Georgia, m. Mar 16 1825, in Greene Co., AL, **Leanne W. Roden** #170, b. about 1805, South Carolina, (daughter of Joshua Roden #518 and Charity Carter #519) d. after 1880, probably Carroll Co., MS. John died before 1860, probably Carroll Co., MS.

The marriage in Greene Co., AL suggests a possible connection to Jacob Alford born 1781 NC who was son of John and Chloe Pope Alford. However, as John William he is not the son of Jacob as Jacob's son was John C. There is also a possibility of a connection to Jacob's brother Abraham or Abram Alford who was born about 1787 in North Carolina and settled in Greene Co, AL. Abraham had a son John H. Alford b. about 1818 who married (1) Mary E. Barnes and (2) Margaret Williams. While his brother Jacob Alford apparently did spend some time (about 1800-1812) in Georgia, there is no evidence that Abraham spent time in Georgia, where our John says he was born in the 1850 MS census. An 1829 sheriff's return of a subpoena in Joshua Roden's estate placed John W. Alford, subject of this record, in Pickens Co., AL.

CENSUS: 1830 Pickens Co., AL, page 133 John Alford 12100-11001. This John's wife is too old to be Leanna, and there are too many children. It is proposed that John William is off on militia duty, Leanne is with her widowed mother in Greene Co., AL and their two known children are seven houses away being cared for by Leanna's sister and her husband Peter Oldham. 1830 Greene Co., AL., page 391 Peter Oldham 20001-20001; page 391 Charity Roden 11111-0011101. This conclusion was drawn from analysis of the probate of the Joshu Roden estate.

1840 in Carroll Co., MS: They were the only Alford. The family was listed as 211001-011001 which suggests 4 sons and 2 daughters at that time. That tracks well with what we have in the genealogy.

1850 Carroll Co. page 244, house 673, family 740 (all b. MS except parents) John 49 GA farmer, Luanna W. 45 SC, Leanna 16 Ms, Levi 14 12, Theodore 10, Patrick 8, Cornelia 6, Louisa 4, and John 2.

Son James H. and daughter Mary were married before this enumeration. James H. and his family were enumerated next door. See their records.

Also in 1850 Carroll Co was a James Alford 22 MS, laborer living with the McAlister family and a John Telford 53 SC Shoemaker. They are not known to be connected to this family.

In 1860 Carroll Co. Page 928, house 53, family 55 (all b. MS except for Leanne who was b. SC): Leanna 54, Levi 25, Obadiah 23, Theodore 21, Patrick 19, Cornelia 16, Louisa V. 14, and J.B. 12.

In 1870 John's family had exploded into four households. His widow was enumerated July 29 on

page 532, house 83, family 83 as Laura 52 SC with Janette Smith 1 MS. Laura's name could be Launa-difficult to read. (In 1880 Jennie Smith was enumerated as an "orphan" 11 MS, living with her aunt in the household of John Walter and Jannet Alford. Her identity is not known.)

Son James H., listed as J.M. was enumerated next door to his mother, house 82, family 82. Son Levi is nearby in house 89, family 89. Son Theodore was enumerated earlier on July 1 in a different area on page 540, house 70, family 70.

1880 Carroll Co., Enumeration District 21, Dwelling 19, Family 20, June 8 & 9, Leanna, age 77, was enumerated with her son William and his wife Genobia/Zenobia.

John's death date is based on the fact that he was not in the 1860 Carroll Co., MS census, though his wife and family were. Peggy Schuster says he was not on the Mortality Schedule. Another clue is that the last known child was born about 1848.

Leanna's name was found spelled a number of ways in various documents: Leanna and Luanna & Roden, Rodden, and Reden. Leanna and Roden are being used here based on Joshua Roden's estate records.

In the 1850 census she was 45 [b. 1805], in 1860 54 [1806], in 1870 she was 52 [obviously an error or she was cheating], and in 1880 she was 77 [1803] so it's probable that the 1805 came from the census.

The marriage date came from an Alabama marriage listing. Peggy Schuster says she married "with consent of parents" which means she was underage. If she was born in 1805 then she would have been 20 in 1825. Since we don't know the legal age for marriage was in Alabama in 1825 we cannot use the marriage to get close to a birth date. "About 1805" is not precise and should be considered to encompass whatever date would fit the marriage situation,

Gaps in births suggest that perhaps he was off fighting Indians or they had several stillbirths.

Children:

- + 2. i **James Henry Alford** #171 b. Dec 1825.
- + 3. ii **Mary Alford** #172 b. 1828.

B., 28th Mississippi Cavalry, CSA who is buried in Chestnut Grove Cemetery on top of Anthony Hill, Giles Co., TN. This is the same CSA unit in which his brother Theodore served - and survived, but his horse died on Dec. 25, 1864.

It is thought that Obadiah was killed, along with 42 other Confederate soldiers in the battle on Anthony Hill on Christmas day in 1864. Anthony Hill is about four miles south of Pulaski.

- + 14. iii **John Walter Alford** #183 b. Aug 4 1848.
- 15. iv **T. D. or T. J. Alford** #184 b. about 1852, Arkansas.
Census, 1860, Carroll Co., MS shows him as T. D. - born AR Census, 1870, Carroll Co., MS shows him b.Arkansas also but adds confusion to the initials which might be L.D., T.J. or F.D. Census: 1880, Carroll Co., MS shows him as T.L. - born MS. He seems to disappear after 1880. Peggy Schuster suggests it is probably T.J. for Thomas Jefferson and called Jeff.
- 16. v **George F. Alford** #185 b. about 1854, Mississippi. Enumerated as G.F. with parents in 1860 6 & 1870 15 and with brother Henry James in 1880 as George. No George or G.F. in 1900 Carroll Co. census.

John's name was spelled Brownson in the 1860 Carroll Co. census. Included with the family in the 1860 census was one Elizabeth Lynch, age 3 who is thought to be the daughter of Mary's sister Leanna who must have died about 1857.

Children:

- 22. i **Joshua J. Brunson** #367 b. 1848, Carroll Co., MS.
- 23. ii **Daniel Hollis (Horace) Brunson** #368 b. 1850, Carroll Co., MS.

Children:

- 30. i **Elizabeth "Pattie" Lynch** #234 b. about 1856.

Leanna, Elizabeth's mother, probably died shortly after the birth of "Pattie" although she was not on the mortality schedule according to Peggy Schuster. In 1860 Carroll Co. 3-year old Elizabeth Lynch was enumerated in the family of her aunt Mary Alford Brunson and her husband John Brunson. In 1870 "Pattie Lynch" was enumerated with Levi and Martha Alford and their daughter Florence.

5. **Levi Alford** #174 (1.John¹) b. about 1836, Mississippi, m. about 1868, in Mississippi, **Martha** _____ #193, b. about 1850, Carroll Co., MS.

CENSUS: 1850 Carroll Co., Levi was enumerated with his parents. See their record.

1860 Carroll Co., Levi was enumerated with his widowed mother and was the senior male in the household. See mother's record.

 35. v **Maggie Alford** #198 b. about 1878, Mississippi.
7. **Theodore Alford** #119 (1.John¹) b. Aug 1839, Carroll Co., MS, m. about 1868, in Mississippi, **Harriet Ann Stallings** #120, b. 1843, Mississippi, (daughter of William Stallings #373 and Mary A. Winney #374) d. 1887, Coila, Carroll Co., MS. Theodore died 1909, Coila, Carroll Co., MS. He had black hair and brown eyes.

There is some question about his middle name. (1) AAFA member Emma Alford Gilmer included "Shadron" as a middle name in some information she sent but without any documentation. (2) AAFA member and Theodore descendant "Pete" Alford says he does not agree with it and they have never seen anything to support the middle name. The middle name has not been found in any federal census record. Peggy Schuster is of the opinion that "Shadron" came about through reading of corrupt census record in which poorly written "Theodore" was read as Shadron. Nell Deets Walker called and promised some documentation, but it had not arrived.

CENSUS: 1850 Carroll Co., MS he was enumerated as age 10 MS with his parents. See their record.

1860 Carroll Co., MS he was enumerated, 21 MS, with his widowed mother. Older brother, Levi, was the senior male in the household.

He was private in Co. B 28th Mississippi Cavalry. He enlisted in Jackson MS May 5, 1862 for three years or duration of the war. Enlisted by Capt. J. P. Scales. His records listed him as T., Theo., The., and Theodore. He was reported AWOL from the Feb 14, 1864 muster. However a Report of Casualties in Maj. Gen. Forret's Cavalry Corps in the TN Campaign during the months of Nov &

Dec 1864 reported him slightly wounded in right leg. His horse was killed in battle Dec 25 1864. Paroled at Granada, MS June 1865. This is the same CSA unit in which his brother, Obadiah was killed on Christmas day in 1864.

Family tradition tells us that there was a son named John William, Jr., however we have no documentation to support that.

Third Generation

13. **Henry J. Alford** #182 (2.James², 1.John¹) b. Dec 23 1847, Carroll Co., MS, m. 1869 by est., **Laura B. McCommon** #223, b. Jan 28 1849, d. May 12 1891, Carroll Co., MS, buried: New Hope Cem., Carroll Co., MS. Henry died Jan 8 1928, Carroll Co., MS, buried: New Hope Cem., Carroll Co., MS. AAFA has traditionally shown him as Henry James Alford but at present is not able to find the source for "James." One source on the Internet shows him as Henry Jesse. AAFA census data shows him as "Jeff" in 1920, but that might have been "Jess."

CENSUS:

1870, Jul 29, Bright Corner PO, T18R2E, Carroll Co., MS: H.J. 22, Laura 20 and James McCarman [McCommon] probably brother of Laura. Next door is Henry's father.

1880 Carroll Co. James 33, Laura 30, Delia 10, Salley 8, Oney 5, Smith 3 and brother George 26.

1900 Carroll Co.: Henry J. 52, Dec 1847, Laura B. Jan 1849--6 children, 5 living, Sallie S. Jul 1873, James H. Mar 1878, Benjamin N. Feb 1881.

1910 Carroll Co. [names very faint and difficult to read]: A father, age 62, is listed with Smith Alford 32 and his family. See record for James Smith Alford.

1920 Carroll Co.: It was probably Henry James who was enumerated with his son Smith in 1920 as father Jeff age 72

Published cemetery records show Laura died in 1891 (as stated above) yet she was enumerated in the 1900 census as Laura B. b. Jan 1849. This seems possible because whoever gave information to the enumerator could have misunderstood the census data rules.

Linda Chandler has her middle initial as "E" apparently from cemetery data.

Children:

- 59. i **Delia/Julia Alford** #284 b. 1870.
- 60. ii **Sallie S. Alford** #285 b. Jul 1873.

John died Mar 31 1925, Carroll Co., MS, buried: New Hope Cem., Carroll Co., MS.

Looking for more information on wife Jannet, we found no persons named Jannet, of any surname, listed in the 1860 Carroll Co. census.

CENSUS:

1880 Carroll Co., MS: John 32, Jannet 32, Molly 10, Jas S. 8, Saml. J. Tilden Alford 4, William C. 10 months, b. July, sister Eliza (sister) 28 (relationship: "lives with brother"), orphan Jennie Smith 11 (relationship: "lives with aunt"; parents b. GA and MS). All were b. in MS. No other record lists Eliza, but in this censu both she and John say their parents were b. GA and SC.

1900 his parents, James H. and Elizabeth, were enumerated with him. Also in the family was one child, a son Everett 18. There is an error in this census regarding John's wife Mary. She was enumerated as age 22, married 20 years, and having had 1 child who is living. She had in fact been married seven years and there has been no evidence of a child from this marriage.

1910 Carroll Co.: Walter 60--3rd marriage, 17 years, and wife Mary 32--1st marriage. Next dor is son John Everett Alford.

1920 Carroll Co.,MS: J.W. 70, Mary 43.

The marriage record has him as W.B. Alford.

CENSUS: 1900 Carroll Co., MS as Alaford, William and Josie were enumerated in the household of his father, Theodore. William 29 (2-1871), Josie 26 (9-1873).

Note the contradiction in the age of wife Josie. The 1900 information seems more probable since that census recorded the month and year of birth as well as the age. Furthermore, they were m. 11 years in 1910, so age 19 is obviously incorrect.

He signed WW I draft registration, Sep 12 1918 in Wills Point, Van Zandt Co., TX as R.E. A farmer, he was tall and slender with brown eyes and black hair. He registered as Robert Lee age 43, born May 29, 1875. His address was Route 1, Grand Saline, Van Zandt Co., TX. - Data extracted from microfilm by Peggy Alford Schuster, May 9, 2002.

There is some controversy regarding his actual name. Peggy Schuster offers the probability that in the draft registration recorded above he told the officials that he was Robert Ely Alford. Pronouncing the name as "E- Lee" not as "E-Lie") and the tired and over worked official heard only the "Lee." Perhaps the "E." was for Earl.
