JULIUS C. ALFORD
1797 GA - 1880 LA**

This is an "as is" version of a work in progress. It is known to be incomplete and probably contains some error. Expect to see some temporary work notes. The 5th and 6th generations were removed in an effort to protect the privacy of most of the living. Please report corrections, additions, etc. to alford_association@sbcglobal.net.

Apr 17 1908, Texas, buried: Hemphill Cemetery, Sabine Co., TX. After Needham's death Dicy moved back to Louisiana and lived with daughter Ada Graves. **Needham:** His nickname of "Dick" probably accounts for some of the apparent erroneous reports of a Richard Alford. He always said that as long as he could walk to the alter that he would not live alone. He did not live alone but he did die alone. Dicy went to Louisiana to visit her family. The Sabine River flooded and she was unable to return on time as the ferry was not running. When she got home Needham was dead and buried. Family was with him but his wife was not.
