• Patterson, Mrs. P.C. *WAKE COUNTY, NORTH CAROLINA MARRIAGE BONDS 1770-1825*. No publication data. Title page and all pages with Alford (no variations). This typewritten manuscript was taken from the original marriage bonds. The author says: “These bonds are not in a good condition and are often hard to read. In all such cases we consulted and took the opinion of two out of three critics. I put a question mark after all those that were doubtful.” The records in this manuscript duplicate those found in Brent H. Holcomb’s *MARRIAGES OF WAKE COUNTY, NORTH CAROLINA 1770-1868*, which is also on the Booklist. Holcomb extracted the records in his book from a microfilm copy of the bonds, which, along with the difficulty in reading the records that Mrs. Patterson pointed out, may account for some of the differences. For this entry, only those records which differ from Brent Holcomb’s are listed:
