Dear Barbara,

What a pleasant surprise it was to hear from you. We were working on your husbands branch of the family less than a week ago.

One of our members— who would be a distant cousin of Ronalds— has some theories about the possible father and grandfather of the **John Alford** about whom you inquired. The enclosed yellow sheet shows what we think we know about John. On the back of the page is what little we know about Sophia. Your chart will add to that. I've also enclosed a copy of John's marriage certificate in case you don't have that.

Many of our 800+ members are very active researchers and we expect to someday have more information on John, his family and his ancestors. Right now we have a lot of "dead ends" in North Carolina for the period 1775 - 1825 and we are determined to get as many resolved as possible.

Our association genealogies include all we can supply on the descendants of the females in the Alford lines so we would appreciate your sharing the information you have on Sophia's descendants.

The inquiry in *Southern Queries* was more personal than from the association so you would not know about our Alford association. I can think— off hand— of two of Ronald's cousins who are members. I've enclosed some information about the association in case you might be interested. We would be honored to count you and Ronald as members and charter memberships are still available. The leaflet has an application form and envelope to send the form directly to our treasurer

who will process it on to the secretary.

One of the highlights of each association year is our annual corporate meeting and national Alford family reunion. We meet the 2nd week-end of October each year and always in a different state. This year we are meeting near you— in Springfield, MO. The membership selected that as a meeting place at our St. Francisville, LA meeting in 1993. We have quite a few members in Oklahoma, Arkansas and Kansas so Springfield was selected to be convenient to most of the "Alfords" in the midwest.

DRAFT

If you have any questions or there is anything else we can do for you please let us know. I'm looking forward to learning more about Ronald's kin descending from Sophia. I've enclosed an envelope for you to send material here.

Sincerely,

Gil

Dear Hilbert,

24 Nov.

I enjoyed your letter & packet you sent me. I laid in bed & read it.

Ronnie's is Casady / Bays / Nunn / Alford / Addington / Jungferd etc

Other side Carile / Tuma / Catron / Bullen etc

Barbara's is Hall / Pennington / Cooper / Robbins / Person & etc

Other side Elsen / Fassnacht / Högger & etc.

rest in Switz. & Germany

Our Passis that I am working on Freeman / Kidd / Duckworth / Davis etc

Other side Greenwood / Farris / Baker / Payne etc.

I went down to get stuff copied yesterday evening for you & they close early on Sat. so I will go tomorrow & get in mail after that to you. I do not like to bend stuff besides I will send you a copy of some

pictures.

A lot of my information came from the Casady's old Bibles & Pictures, also some information I got from Pauline (Orville) Alford. Pauline never told me that there was a Alford Family Ass. I have been visiting her since last Sept/Oct.

I went out to Ronnie's Uncle's to go thru the old pictures. Most of the pictures is the Casady side, but I have the one of Sophia Alford who married James Wesley Bays.

I have Ronnie signed up for Addington Papers to

Not printed up & copied today I will send them to you tomorrow.

Dear Barbara,

Thanks for the information you sent on Sophia Alford Bays. I had not received it before. It is not often that we experience any loss in the mail but I guess it does happen. Not to worry though as we do have it now.

We will add your information to our genealogy on this branch of the family so that we have an updated genealogy for our meeting in Springfield, MO in October. It won't be a book as such but we will send you a copy. Some day in the future it will be published as part of book of Alford genealogies.

I fear we cannot help you with your Bays and Casadys but maybe as we progress in the planning for our meeting in Kentucky in 1998 we will turn up some clues that will lead you to more information.

I'll send an e-mail message to our secretary to be sure all is right on your mailings. It does take him some time to process all of the membership certificates and to mail the quarterlies. He is probably currently in the process of mailing out the latest issue of the quarterly and that is a major task. Unlike some of us who are retired – our secretary and his wife are both still working.

Thanks again for sending the information. Holler if we can help with anything.
