Hi,

Working on ahnentafels for some of our deceased members, particularly Floyd Alford #0722 I discovered that we don't have his father, Floyd Shelby Alford #0271 listed as deceased and he died Jan 10, 2006 in Raleigh. His SSN 232-30-4624. His daughter, Beverly Alford is AAFA #0345 and is currently active. She and her father were at one of the AAFA NC meetings and over the years we have corresponded quite a bit. He was very helpful in collecting data on his branch.

Max, I'm gonna make him X in the membership file.
