DIRECTORIES

The NC directory linked below lists the name and address of *all* the Alford's in 1996 NC. It should be noted that this is a little more than half-way between our 1990 meeting in Raleigh and the 2001 meeting in Raleigh; and it occurred almost a generation ago. It will be interesting to see how this listing of over 700 compares with the Alford *inventory* or *census* that we are currently doing in support of a probable meeting in NC in 2013.
